

About Our Store

George Amenebar initially opened Northeast Flooring & Kitchens in 2007. The original location was at Chopper Plaza in Putnam, CT, where Pet Value is currently located. George and Phil decided to move to this location because the space was simply too small for the needs of the business. Today, **Northeast Flooring & Kitchens is located at 17 Kennedy Drive in Putnam, CT.**

What makes Northeast Flooring & Kitchens unique is that we are a family-owned and operated business. We take pride in our ability to ensure that every customer feels like they are treated with respect and care. We want everyone to be serviced with a smile, and we also want to build long-lasting relationships with our customers and our community.

We enjoy being a part of the Carpet One cooperative because we have the buying power and resources that which allows us the opportunity to pass on great value to our customers. We also recently partnered with the Stephen Siller Foundation to participate in a 5k that supports our nation's most decorated veterans and servicemen and women. It is the support in events like this that makes us happy to be a part of the Carpet One flooring cooperatives.
