

Looking To Buy Equipment?

Prospect Communications provides a wide range of Avaya, Nortel, and Cisco telecom equipment to meet your needs: phones, line cards or complete system configuration.

Prospect Communications specializes in used and refurbished Avaya, Nortel, and Cisco telephone equipment including: telephone systems, telephone sets, cards, cables, and complete system configurations. To stay current with the industry, product lines and fluctuating supply and demand, Prospect Communications works directly with our customers to provide them with an updated product list. Contact us at 858-459-3200 or via our contact page [here](#).

Our Green Initiative helps keep tens of thousands of pounds of plastic, metals, cables and chemicals out of landfills by extending the life cycle of used telecom equipment.

Prospect Communications, Inc. is not affiliated with any company such as Lucent Avaya Inc. or products of Lucent Avaya, Inc. or Propsect Communications, Inc.
