

# Why Choose Us?

*We have earned our reputation as a leading concrete contractor company in Connecticut*

- We use only the best materials to prep and install concrete sidewalks, decorative concrete, precast curb, cast-in-place curb, retaining walls, and pavers. We have been providing our services to Connecticut home and commercial business owners since 2005 and our team has extensive experience in all Concrete Flatwork.
- **Competitive Pricing.** Great quality doesn't always require high pricing. We believe in fair, honest pricing to help you afford the design of your dreams. We will work with you to design a concrete project that fits your style and budget.
- **Top-Rated Company.** We are one of the highest-rated concrete contractor companies in Connecticut for a reason. Pontes Construction, LLC is committed to providing excellence in contractor services, dedication to safety, and pride and quality in our workforce competencies.
