

TRANSLATING OUR STRENGTHS INTO YOUR BUSINESS ADVANTAGE

Headquartered in New Jersey, Rang Technologies has dedicated over a decade delivering innovative solutions and best talent to help businesses get the most out of the latest technologies in their digital transformation journey. Rang Technologies has grown to become a global leader in Analytics, Data Science, Artificial Intelligence, Machine Learning, Salesforce CRM, Cloud, DevOps, Internet of Things - IoT, Cybersecurity, IT Consulting and Staffing, and Corporate Training.

Our clients, which include Fortune 500 to Start-up companies, come from a wide array of industries, including pharmaceuticals, healthcare, retail, technology, BFSI, media, automobile, manufacturing and several others. Our clients know they can rely on Rang Technologies to deliver customized and comprehensive digital solutions and talent to complement their business and technical objectives.

Combining the depth of our multidisciplinary team of professionals and boundless innovation with our “client-centric” approach to service, Rang Technologies has the right resources to help companies of all sizes cultivate real business value at the right price. This approach has led Rang Technologies
