

# CAPABILITY STATEMENT

## COMPANY OVERVIEW

**PTY TECH, LLC** is an MBE formed in the state of Connecticut in September 2016 with the purpose of providing hard to find IT Staffing and Consultancy services to private sector and government agencies in the USA.

## CORE COMPETENCIES

- We specialize in difficult to source IT Consultants (Cybersecurity, Big Data, Cloud Computing, Mobile Computing, Peoplesoft, SAP, AWS Certified Consultants, .NET, Oracle, etc.).
- We target only top-quality consultants exceeding client expectations
- Aggressive Pricing due to low overhead
- Fast turnaround with top talent (42 – 72 hours from receipt of requirements)
- Desktop and Network technicians as needed
- Temporary and permanent placements
- IT Consulting Services

## OTHER SERVICES PROVIDED

- Project Management
- Endpoint Security
- Data Loss Prevention
- Anti-Money Laundering
- GDPR Consulting
- Retail Banking Consulting

## DIFFERENTIATORS

- Meticulous screening, assessment and recruiting process
- Dedicated Account Managers for most client engagements
- 38 years' experience successfully selling, marketing, and providing IT services to a wide range of industries
- Spotless record of accomplishment providing quality resources to clients that do not wash-out

## PAST PERFORMANCE

- **Deutsche Bank** -- Have provided the client with high level consultants to assist them with their Patch Management projects, Data Loss Prevention, eDiscovery and Trader Desk Support. Annual project value is \$1.2M. Work is ongoing. Client is very satisfied. Their environment is secure and protected as a result of our efforts. Client Contact: Persio Reyes VP COO Core Infrastructure [persio.a.reyes@db.com](mailto:persio.a.reyes@db.com) (646) 270-4225
